

Meet Your TEACHER

A LITTLE BIT
ABOUT
me...

← Ralph
They say people grow to look like their dogs, but that obviously isn't true.

Mr Glover

HOBBIES:

I like tinkering with my old cars and twiddling on old guitars. I'm keen on old stuff. I also like reading, particularly books by Neil Gaiman, and I'm good at making bad 'dad' jokes.

Mr Glover Facts

- I really like 'Monster Munch', but not pickled onion flavour.
- I have super-strong thumbs. I don't know why.
- I used to not like sandals, but now I do.
- I don't really follow football because I don't understand the off-side rule.
- My cat is called Petey, after the villain in the 'Dog Man' stories by Dav Pilkey.
- I have four children, nine pets and a full house!

IN SCHOOL:

We will do lots of stories, which I enjoy reading aloud- mainly so I can be silly doing character voices. There'll be art too, as well as other fun things. I really enjoy learning new things and finding out all the details about topics, especially in history. Sometimes I get a bit 'carried away' with this!

Welcome to Year 3!

Mr. Glover's year 3 class will be known as 'Larch Class'. All the classes in Overchurch Juniors are named after trees. The larch (*Larix decidua*) is 'full of surprises': it's popular with birds, squirrels and moths. In ancient times it was thought to ward off evil spirits, so that's all good, except maybe for the moths...
