

All Adults

We will encourage the children to take responsibility for their own actions

Parents and Pupils

We will begin the day punctually, ensuring the children are suitably equipped, smart, fed and well rested. We will not take our holidays during term time.

All

We will treat one another with respect, showing responsible, caring and considerate attitudes

Staff and Governors

We will adapt our provision to take account of learner's needs in an ever changing and exciting world.

We will encourage the children to look beyond their own needs and consider the needs of the community to develop a love of the world around them.

All Adults

We will communicate regularly about the children's progress.

We will share critical information about children's well-being, performance and issues which will affect their work/behaviour. We will share information about school policies and how they affect us.

All Adults

We will encourage the children to always try their best and to achieve their potential in an environment of respect.

Governors, Staff and Parents

We will formulate policy, taking into account the views of those in the community and then support policy action. We share responsibility to uphold all policies.

Staff and Governors

We will deliver a curriculum which is interesting, meaningful and fun, developing independent learners with a thirst for knowledge.
